23 November 2011

Dear Parents/Carers

As you will be aware from the media, the combined teacher and school leadership trade unions will be taking industrial action on 30 November 2011.

The action (a one day strike) will result in class or whole school closures across the country.

The decision to close the school or send students home is never taken lightly, but in this instance, where staff have elected to take lawful industrial action, I will have no choice but to take appropriate steps to ensure the health, safety and well being of all students.

Following further information the most likely outcome will be that the school will close on 30 November 2011 for students.

Due to industrial action we will now not be able to run any student/parent reviews that were scheduled for Wednesday, 30 November 2011. Alternative arrangements are being put in place. The school will be in contact with you personally to make different arrangements.

I do hope you understand that the steps that we need to take are due to reasons outside of our control and thank you in advance for your co-operation. If there are any changes to this, we will inform you immediately – and please refer to the school's website.

Yours sincerely

A Fell
Headteacher
