Dear Parent/Carers

Bad Weather Arrangements

We have escaped disruption due to bad weather this year; however, we do need to be prepared in the event. In order for us to be able to contact you if needed, please could you ensure the school has your correct and up to date contact details as follows:

- Mobile telephone number
- Alternative contact details
- Email address if possible

In the event of school closure, information will be posted on our website, the Suffolk County Council website and BBC Radio Suffolk.

Mobile phone use

Most students now bring mobile phones to school. To ensure appropriate use, I need to clarify our expectations and consequences for inappropriate use.

- Phone use is not allowed during lesson times. Inappropriate use may lead to confiscation until the end of the school day. Persistent use may lead to confiscation requiring parents to collect the phone.
- Phones/MP3s may be used at break and lunch times in designated Phone Zones.

Please discuss these arrangements with your son/daughter. It is very unhelpful if parents/carers text/phone their son/daughter during lesson times. If you need to contact your son/daughter during the school day, please contact the school office.

'We Will Rock You'

We are very much looking forward to the school production of 'We Will Rock You' next week. There are a few tickets left to purchase – but do hurry!

Yours sincerely

A Fell
